Dearest Butterfly Garden Families,

I want to extend my sincerest and deepest gratitude to those of you who have already given to the school's annual fund. This fund helps to fill the gap between our moderate tuition and the true cost of the child's experience in our school. It is through your generosity that we are able to purchase materials for our classroom to keep it fresh and inviting for your precious children, that we are able to keep the tuition moderate for a wider range of families, and that we can give financial aid to families when they have a financial setback, keeping our precious community intact. It is through the annual fund that I received my training, receive ongoing consultations and attend workshops and refresher courses.

If you have not yet given to the annual fund and would like to do something for our classroom during this holiday season, please consider donating to the annual fund. We appreciate each and every donation no matter the amount. Help our community reach 100%!

With Warmest Regards,

Kadie
